CHAIRMAN'S ADDRESS

Dear Shareholders'

It gives me immense pleasure to welcome you all to this 47th Annual General Meeting of your Company. The 47th Annual Report for the year 2016-17 comprising Directors' Report, including Annexures such as Management Discussion and Analysis Report, Report on Corporate Governance, Report on Corporate Social Responsibility and Sustainability, Audited Annual Accounts (Standalone and Consolidated), Independent & Secretarial Auditors' Report, Comments of Comptroller & Auditor General have been placed before you.

Industry Scenario:

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF). As per the Economic Survey 2016-17, the Indian economy should grow between 6.75 and 7.5 per cent in FY 2017-18. During the year 2016-17, the Government has liberalized and simplified the foreign direct investment (FDI) policy in sectors like defence, railway infrastructure, construction and pharmaceuticals, etc. Sectors like service sector, construction development, computer software & hardware and telecommunications have attracted highest FDI equity inflows. Many new initiatives such as Make-in-India, invest India, Start Up India and e-biz Mission Mode Project under the National e-Governance Plan etc. have been taken up by the Government to facilitate investment and ease of doing business in the country.

The World Bank has stated that private investments in India is expected to grow by 8.8 per cent in FY 2018-19 to overtake private consumption growth of 7.4 percent, and thereby drive the growth in India's gross domestic product (GDP) in FY 2018-19.

Business Opportunities:

Govt. of India is focusing on Renewal Energy, Highways, Ports and Rural infrastructure and EPI is focussing on deriving benefits from these Govt. of India initiatives for development and growth.

Marketing Initiatives:

Your Company is focusing to undertake high value projects and efforts are being made to take the opportunities arising in the fields of Smart Cities, Renewable Energy projects, Urban Infrastructure, Border Management, Road and Railway Sector projects in India as well as abroad. Your Company has entered in to strategic alliances for taking up projects on MoU/JV basis. Our focus has now to be mainly on high technology, consultancy and high value projects with higher percentage margins.

Performance Highlights:

I take pride in stating that your company has achieved a higher operational Turnover of Rs. 1621.45 crores which is 25.16% increase over previous year. The total income of the Company for the year 2016-17 is Rs.165543 Lakhs, higher than the previous year. The Company has earned a Gross Margin of

Rs. 1170 lakh against previous year Gross Margin of Rs.4514 lakh and reduction is mainly due to reassessing the cost estimates with respect to the current scenario.

During 2016-17, your Company has secured projects worth Rs.2449 crores. 'Industrial, Process Plant, Material Handling, Electrical and Border Management Projects' segment are the highest contributors (49.47%), to the total turnover of the Company followed by Housing & Building Works including Hospital Projects whose percentage share has increased to 41.81%.

The work for Construction of Two Lane Road in Chin State of Myanmar (109.20 Km.) has been awarded to EPI- C&C "JV", an unincorporated Joint Venture, by Ministry of External Affairs, Govt. of India in March 2017 and Joint Venture (Consortium) Agreement has since been entered with M/s C&C Constructions Ltd. as lead partner.

Subsidiary Company/Branch Office

During the year 2016-17, the Subsidiary Company i.e., EPI Urban Infra Developers Limited (EPIUIDL) could not start its operations and no Turnover/ margin has been reported. During the year, the Subsidiary Company incurred an expenditure for incorporation, corporate records, fee for Board meeting, Audit fees for CAG appointed Statutory Auditors etc. The Board of Subsidiary Company has approved the closure of the Company subsequent to the close of financial year.

After the close of the year, Board decided to close the Branch at Riyadh, Kingdom of Saudi Arabia as the projects are not expected to be secured in the near future and to avoid recurring administrative expenses.

Performance under MOU

The performance of the Company has been rated "Very Good" by the Department of Public Enterprises (DPE) in terms of MOU signed by the Company with the Government for the year 2015-16.

Dividend

Your Directors have proposed to declare NIL dividend for the Financial Year 2016-17 due to inadequacy of profits.

Human Resource

Company's focus is on securing projects in India as well as in foreign countries. In order to facilitate achieving the target, Company is aiming to acquire best of the talents with specialized skills at each level for execution of the on-going projects as well as new projects. Your Company makes all necessary efforts to develop technical and managerial skills of employees by conducting several in-house and external training programs, seminars and workshops at all levels.

Corporate Governance

Your Company firmly believes that good corporate governance facilitates effective, and prudent management that can deliver the long-term success of the company. The Company has Works Manual and Audit Manual in place for ensuring transparency. The Company has been consistently complying with the requirements of Guidelines on Corporate Governance issued by Department of Public Enterprise (DPE).

Corporate Social Responsibility and Sustainability

Your Company is committed to create a positive and lasting social impact by mutual trust and respect by raising the standard of living of the people in and around the project site.

During the year, your company has spent an amount Rs. 16.73 lakhs towards CSR and Sustainability activities.

Acknowledgement

I, on behalf of the Board of Directors and on my own behalf, would like to record my appreciation for the sincere efforts made by employees of your Company towards achieving the targets and expect that in future they would still strive harder to take your Company to the new heights. I also acknowledge with thanks the cooperation and guidance received from Members of the Board, Ministry of Heavy Industries and Public Enterprise, other Govt. Departments, Statutory Auditors and Comptroller & Auditor General of India, and Shareholders. I also place on record my sincere thanks to our valuable Clients, Business Associates and Banks who have reposed faith in your Company.

Explanatory Statement pursuant to Section 102(1) of the Companies Act 2013 in respect of Item no 3 and 4 as set out above forming part of the Notice:

Item No. 3: Ratification of remuneration of Cost Auditor

The Board, on the recommendation of the Audit Committee, had appointed M/s A. G. Agarwal & Associates as Cost Auditor to conduct audit of cost records of the Company for the financial year 2017-2018 at a remuneration amounting Rs. 59,940/- (Rupees Fifty Nine Thousand Nine Hundred Forty only) plus applicable tax, TA/DA and out of Pocket expenses to be paid as per actuals for the visits outside Delhi/NCR. In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the members of the Company. Accordingly, the Resolution at Item No. 3 of the Notice is set out as an Ordinary Resolution for approval and ratification by the members of the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives is in any way, concerned or interested, financially or otherwise in the resolution set out at Item No 3.

Item No. 4: To close the Subsidiary Company (EPIUIDL) of EPI

Disinvestment process through merger with similarly placed CPSE is going on. Evaluation Committee for strategic disinvestment of EPI desired for a disclosure in the EOI/PIM to the effect that the subsidiary company is non-operational and is contemplated to be closed. Therefore, Board of Directors of EPI in its meeting held on 25.07.2017 had agreed that since the subsidiary company is non-operative, it is prudent to consider closure of the Company, which requires formal approval from the Board of Subsidiary Company and accordingly allow the interim Board to meet to decide the future of the Company. Interim Board of Subsidiary Company met on 2nd August 2017 and decided to close the Company (EPIUIDL) through voluntary

winding up. Article 88 of Article of Association of EPIUIDL requires that for winding up/liquidation/dissolution of the Subsidiary Company, prior approval of EPI shall be obtained. Accordingly, the Resolution at Item No. 4 of the Notice is set out as an Special Resolution for approval by the members of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Development

Indian economy is a mixed economy, where there is a coexistence of both the public sector and the private sector. In India, only those industries were reserved for the public sector which were essential for speedy development of the economy and where private sector were reluctant to invest either due to low rate of return or heavy risk involved in it. In India, the area of activities of the public sector were very much restricted to a limited range like power, irrigation, roads, railways, port, communications etc. The World Bank has stated that private investments in India is expected to grow by 8.8 per cent in FY 2018-19 to overtake private consumption growth of 7.4 per cent, and thereby drive the growth in India's gross domestic product (GDP) in FY 2018-19.

According to Department of Industrial Policy and Promotion (DIPP), the total FDI investments India received during 2016-17 rose 8 per cent year-on-year to US\$ 60.08 billion, indicating that government's effort to improve ease of doing business and relaxation in FDI norms is yielding results.

Indian impact investments may grow 25 per cent annually to US\$ 40 billion from US\$ 4 billion by 2025, as per advisor for South Asia of Global Impact Investing Network's (GIIN's). Recent significant FDI announcements shall boost investments from some other Countries in India's Real Estate/Infrastructure/Health and education sector, setting up of cash-and-carry stores, food processing unit and a bottling plants, business centers etc. by global retail giants.

Government Initiatives

The Union Cabinet has approved raising of bonds worth Rs. 2,360 crore by the Indian Renewable Energy Development Agency (IREDA), which will be used in various renewable energy projects in FY 2017-18. The Government of India is likely to allow 100 per cent foreign direct investment (FDI) in cash and ATM management companies, since they are not required to comply with the Private Securities Agencies Regulations Act (PSARA).

The National Highways Authority of India (NHAI) plans to offer a risk cover to foreign investors. The Department of Industrial Policy and Promotion (DIPP) has allowed 100 per cent foreign direct investment (FDI) in asset reconstruction companies (ARC) under automatic route, which will help to tackle the issue of declining asset quality of banks.

'Digital India' project of Hon'ble Prime Minister of India aims to transform the country into a knowledge economy aiming to ensure easy access to technology infrastructure and government services to citizens. Some of the IT related initiatives are: Digital Life Certificates, Digital Boost to MGNREGA, Twitter Samvad, Madad (Help), SMS-Based Cyclone Warning System, Online Facility for Firms to File Single Return, Online facility to Issue PAN Card in 48 hours, e Money, PRAGATI.

Govt. of India has also launched various schemes for handicaps, women empowerment/Mahila shakti kendra, Health, Biotechnology development, small scale industries, shipping industry, Tourism & hospitality industry, Automotive Industry, waste management, Infrastructure development works, Development of SEZ Make in India, Skill India, Digital India, Industrial Corridors and Smart Cities, Airports& air strips, Affordable housing, Development of renewable energy, Rural development, Infrastructure etc.

SWOT Analysis

Strengths & Weakness

The company can offer wide range of services in almost all areas of Engineering & Construction and has Pan-India presence. The company has Proven Competency in Civil Engineering /Project Management and has capability for taking up multi-disciplinary Projects in India & abroad. Further, company is capable of taking up defence projects specially international border fencing projects equipped with latest modern electronic techniques.

However, company is operating in highly competitive market and face stiff competition in domestic market from other PSUs and private companies

Opportunities & Threats

Opportunities in Smart City Projects, Swatch Bharat Mission, Solar Energy, Steel & Power plant projects, multidisciplinary projects across all infrastructure sub-sectors, eased FDI norms for the infrastructure & other sectors. Technological tie ups with Indian & overseas companies for securing mega projects. Further, newer means of project financing and execution on SPV/Joint venture/Consortium or BOT/BOLT/BOOT basis. Enhancing business prospects of the company keeping in view the vision of Hon'ble Prime Minister of India for emphasis on MAKE IN INDIA initiative.

However, the prospects may be affected due to security concerns, disturbances on national/international borders, natural calamities such as earth quake and floods preventing construction boom coupled with infrastructure market crowded with multiple players with deeper pockets and prolonged delay in land acquisition and environmental clearances.

INDEPENDENT AUDITOR'S REPORT

To The Members of

Engineering Projects (India) Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Engineering Projects (India) Limited (**"the Company"**), which comprise the Balance Sheet as at 31st March 2017, the Statement of Profit and Loss and the Cash Flow Statement, and a summary of the significant accounting policies and other explanatory information for the year then ended, in which are incorporated the six audited returns e.g. Western Region, Eastern Region, Southern Region, Northern Region and overseas returns of Oman and Sri Lanka audited by the other branch auditors and returns of Corporate Office and returns of Jaipur and Alwar offices, audited by us.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies(Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the order under section 143 (11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other Auditors on financial statement of the regions, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2017, and its Profit and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to the following matters

- In Northern Region, trade receivable includes outstanding dues from Government departments, PSU and other clients amounting to Rs. 2227.51 Lakhs (net of provision) (Refer Note no 2.11) in respect of closed project, which are outstanding for more than three years, this includes an amount of Rs. 1835.48 lakhs (net of provision) under litigation/arbitration/corporate insolvency. In view of the Management, the same has been considered as good and recoverable.
- Balances of debtors/ Creditors and other parties are subject to confirmation/ reconciliation. As explained to us, the company is mainly dealing with the government parties. In our opinion, process of getting confirmation needs to be strengthened
- Attention is invited to note no. 2.20, the company has created a provision of Rs. 9.58 Crore on account of future expected loss in accordance with Accounting Standard 7 issued by the Institute of Chartered Accountants of India.

Our opinion is not qualified in respect of the above matters

Other Matters

We did not audit the financial statements/information of 6 (Six) regional offices included in the standalone financial statements of the Company whose financial statements/ financial information reflect total assets of Rs. 1768.51 Crore, Total liabilities of Rs. 1619.81 Crore as at 31st March, 2017 and total revenues of Rs. 1649.96 Crore for the year ended on that date, as considered in the standalone financial statements.

The financial statements/ information of these regional offices have been audited by the other auditors whose reports have been furnished to us and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. The Comptroller and Auditor General of India has issued directions indicating the areas to be examined in terms of sub-section (5) of Section 143 of the Act, the compliances of which is set out in "**Annexure B**".

Annexure – C to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Engineering Projects (India) Limited ("the Company")** as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date. In this report, we have consolidated the feedback received from regional auditors.

Management's Responsibility for Internal Financial Controls

The respective Board of Director of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable

assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". However, we noticed that

- a) Process of obtaining balance confirmation needs certain improvement
- b) Coverage of the tendering process in internal audit needs improvement.
- c) As reported by the auditor of Northern Region, access and editing rights for books of accounts, mapping and usage of reporting & analytics capability in SAP system, which is introduced during the year need improvements although they do not form any internal control deficiency.

SIGNIFICANT ACCOUNTING POLICIES (2016-17)

1. Basis of accounting

- a) The financial statements are prepared under historical cost convention, on accrual basis, in accordance with the generally accepted accounting principles in India and to comply with the Accounting Standards specified under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 (the “2013 Act”). The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year except the following:

Refer note no.	Nature of Change	Financial Impact over the current financial statements as compared to previous financial statements
2.8, 2.28	Revised Accounting Standard 10 Property, Plant and Equipment.	Financial Impact is Nil

- b) All Assets and Liabilities have been classified as current or non-current as per the criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of operations and time within which the assets are expected to be realized in cash and cash equivalents in the ordinary course of business, the company has ascertained its operating cycles as 12 months for the purpose of current and non-current classification of assets and liabilities

2. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities, if any, on the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management’s knowledge of current events and actions, actual results could differ from those estimates and revisions, if any, are recognized in the current and future periods.

3. Revenue recognition

- a) Contract Revenue is recognised to the extent it is probable that economic benefits will flow to the company and revenue can be reliably measured. Revenue is recognised by adding the aggregate cost of work and proportionate margin using the percentage of completion method. The percentage of completion is determined as a proportion of cost incurred to date to the total estimated cost of the contract.
- b) At the year end, works executed but not measured/partly executed are accounted for based on certification by Internal Engineers, entries arising out of such accounting are reversed in the following accounting year. Accordingly, statutory obligations are met with at the time of actual receipt/ issue of bills/claims.

- c) In case of projects foreclosed/terminated, revenue is recognised only to the extent of contract value of which recovery is probable.
- d) Revenue from consultancy services is recognised on proportionate completion method. In respect of cases where ultimate collection with reasonable certainty is lacking at the time of claim, recognition is postponed till collection is made.
- e) In case of contracts where the contract costs exceed the contract revenues, anticipated loss is recognised immediately.
- f) Escalation and extra works not provided for in the contract with client, claims arising out of arbitration awards and insurance claims are accounted for on receipt basis.
- g) Liquidated damages arising from contractual obligations in respect of contracts under dispute/negotiation and not considered payable/receivable are not accounted for till final settlement.
- h) The contract is considered as closed for accounting purposes upon final billing, commissioning certificate, commercial run, foreclosure and/or termination whichever is earlier.
- i) Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.
- j) Revenue from rent is recognized on accrual basis, based on the lease agreements with the tenants except where the ultimate collection is considered doubtful.

4. Inventory

(i) Materials

- a) Construction materials, consumables and stores & spares excluding steel, cement and pipes are charged to contract cost at the time of purchase. Sale proceeds on account of disposal of such left out materials are accounted as miscellaneous income in the year of sale.
- b) Stock of steel, cement and pipes are valued at lower of cost or net realisable value. Cost includes freight and other related incidental expenses and is arrived at on weighted average cost.

(ii) Work in Progress

Construction work in progress is valued at cost till such time the outcome of the job cannot be ascertained reliably.

5. Foreign exchange transactions

Financial statements of foreign projects are translated in the following manner:

- i) Revenue items (income and expenditure) are translated into Indian currency on the basis of average of buying rate prevalent on the last working day of each month of the relevant financial year.
- ii) Property, Plant and Equipment and non-monetary items are translated at the buying rate at the date of transaction.
- iii) Depreciation is translated at the rates used for the translation of the value of the assets on which depreciation is calculated.
- iv) Inventories are translated at the buying rates prevalent at each balance sheet date.
- v) Monetary items (assets and liabilities) and contingent liabilities are translated at the prevailing closing buying rate at each balance sheet date.

The net exchange differences resulting from the translations are recognised as income or expense for the year.

6. Property, Plant and Equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Depreciation on Property, Plant and Equipment is calculated on straight line basis based on the useful life of assets in accordance with the Schedule II of the Companies Act, 2013 and 95% of the cost is written off during the expected useful life of assets.

7. Depreciation

- a) Depreciation on Property, Plant and Equipment is calculated on straight line basis based on the useful life of assets in accordance with the Schedule II of the Companies Act, 2013 and 95% of the cost is written off during the expected useful life of assets.

- b) The following rates of depreciation derived on the basis of useful life of the assets have been adopted-

S.No.	Description of Assets	Rate of Depreciation
1	Building (Other than factory Building) RCC frame structure (NESD)	1.58%
2	Others Temporary Construction (Including temporary structure etc.) (NESD)	31.67%
3	Plant and Machinery used in civil construction	
3(a)(i)	Concreting, Crushing, Piling equipment and Road Making Machine	7.92%
3(a)(ii)(a)	Cranes with capacity of more than 100 tons	4.75%
3(a)(ii)(b)	Cranes with capacity of less than 100 tons	6.33%
3(a)(iii)	Earth moving equipments	10.56%
3(a)(iv)	Others including material handling/ Pipeline/welding equipments(NESD)	7.92%
4	General Furniture and Fixture (NESD)	9.50%
5	Office Equipments (NESD)	19%
6	Computers and data processing units (NESD)	
6(a)	Server and Network	15.83%
6(b)	End user devices such as Desktop, Laptop, Software including user license fee, other intangible assets etc.	31.67%
7	Motor Vehicles (NESD)	
7(a)	Motorcycles, Scooters & Other Mopeds	9.50%
7(b)	Motor Buses, Motor Lorries and Motor Cars other than used in business of running them on hire	11.88%

Except for assets in respect of which no extra shift depreciation (NESD) is permitted as indicated, if an asset is used for any time during the year for double shift, the depreciation will increase by 50% for that period and in case of triple shift the depreciation shall be calculated on the basis of 100% for that period.

- c) Property, Plant and Equipment costing Rs. 5,000 or less and mobile phones are fully depreciated in year of purchase.
- d) Leasehold building are amortised over the period of lease or over the specified period calculated as per the rates adopted by the Company which ever is shorter. Leasehold land under perpetual lease is not being amortised and carried at cost.

8. Employee benefits

- (i) Short Term employee benefits are recognised as an expense at the undiscounted amount in the Profit and Loss statement of the year in which the related service is rendered.
- (ii) Post employment and the other long term employee benefits are recognised as an expense in the Profit and Loss statement for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. The actuarial gains and losses in respect of post employment and other long term benefits are charged to the Profit and Loss statement.

9. Provisions, contingent liabilities and contingent assets

Provision is recognized when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources would be required to settle the obligation, and in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimation. A contingent liability is disclosed unless the possibility of an outflow of resources embodying the economic benefits is remote. Contingent assets are neither recognized nor disclosed in the financial statements.

10. Provision for Doubtful Debts/ Loans and Advances

The amount of Trade Receivables/ Loans and Advances in closed projects, pertaining to Central / State Governments and their Departments, PSU clients and Foreign clients are considered good for realization upto 10 years from the year these became due. These debts are under constant persuasion for realisation till final settlement made with the client(s) or verdict is passed by the arbitral tribunal/ court, in case of dispute. Necessary provision against doubtful debts / loans and advances for net receivable amount on project basis is made in case the dues are outstanding for more than 10 years based on the previous experience/progress/assessment of the matter by the management. Trade Receivables/ Loans and Advances are written-off when considered unrealizable. For the cases pending with Arbitrator / Tribunal / Court no provision is made.

11. Segment Reporting

The Company has identified two primary reporting segments based on geographic location of the projects viz. Domestic & International.

12. Impairment of assets

At each balance sheet date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the profit and loss account. If at the balance sheet date there is an indication that a previously

assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and is accordingly reversed in the profit and loss account.

13. Taxation

Provision for tax for the year comprises estimated current income-tax determined as higher of the amount of tax payable in respect of taxable income for the period or tax payable on book profit computed in accordance with the provisions of section 115JB of the Income tax Act, 1961 and deferred tax being the tax effect of temporary timing differences representing the difference between taxable and accounting income that originate in one period and are capable of reversal in one or more subsequent periods and is calculated in accordance with the relevant domestic tax laws.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted as at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In respect of carry forward losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Minimum Alternate Tax ('MAT') paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax in the future. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will be able to utilize that credit during the specified period.

14. Leases

Lease payments under operating leases are recognised as expense in the profit and loss account on straight line basis over the lease term.

15. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

16. Prior Period Items and Prepaid Expenses

Expenditure/income relating to prior period and prepaid expenses not exceeding ₹ 50,000/- in each case are treated as expenditure/income of the current year.

INDEPENDENT AUDITOR'S REPORT

To The Members of

Engineering Projects (India) Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Engineering Projects (India) Limited (**hereinafter referred to as "the Holding Company"**), EPI Urban Infra Developers Ltd., its subsidiary (the holding and its subsidiary referred to as "the Group") which comprise the consolidated Balance Sheet as at 31st March, 2017, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement, summary of the significant accounting policies and other explanatory information for the year then ended.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies(Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the order under section 143 (11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control's relevant to the Holding Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2017, and their consolidated Profit and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to the following matters

- In Northern Region of the holding company, trade receivable includes outstanding dues from Government departments, PSU's and other clients amounting to ₹ 2227.51 Lakhs (net of provision) (Refer Note no 2.11) in respect of closed project, which are outstanding for more than three years, this includes an amount of ₹ 1835.48 lakhs (net of provision) under litigation/arbitration/corporate insolvency. In view of the Management, the same has been considered as good and recoverable.
- Balances of debtors/ creditors and other parties are subject to confirmation/ reconciliation. As explained to us, the holding company is mainly dealing with the government parties. In our opinion, process of getting confirmation needs to be strengthened.
- Attention is invited to note no. 2.20, the holding company has created a provision of ₹ 9.58 Crore on account of future expected loss in accordance with Accounting Standard 7 issued by the Institute of Chartered Accountants of India.
- Attention is invited to the note no. 2.44 w.r.t. the subsidiary company is non operational and Board of Subsidiary company has approved the closure of the company subsequent to the close of the financial year.

Our opinion is not qualified in respect of the above matters

Other Matters

- (a) We did not audit the financial statements/ financial information of subsidiary (EPI Urban Infra Developers Limited), whose financial statements/ financial information reflects total assets of ₹ 12.35 lakhs, total liabilities of ₹ 3.40 lakhs as at 31st March 2017, total revenues of ₹ NIL and net cash flows of ₹ 9.99 lakhs for the year ended on that date, as considered in the consolidated financial statements. This financial statements/ financial information have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosure included in respect of the subsidiary, and our report in terms of sub-sections (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the managements

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act based on our audit and on the consideration of report of other auditors on separate financial statement, as noted in the 'other matter paragraph' we report to the extent applicable that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) Being a Government Company, pursuant to the Notification No. GSR 463(E) dated 5th June 2015 issued by Ministry of Corporate Affairs, Government of India, provisions of sub-section (2) of Section 164 of the Companies Act, 2013, are not applicable to the Holding Company.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure-A**"
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations as at March 31, 2017 on its financial position in its financial statements- Refer Note no. 2.24 to the financial statements;
- ii. The Company has made provision, as required under the applicable law or accounting standard, for material foreseeable losses, if any, on long term contracts including derivative contracts.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. The company as detailed in Note no. 2.46 to the financial statement, has made requisite disclosure in the financial statement as to holding as well as dealing in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016. Based on the audit procedures performed and taking into consideration the information and explanations given to us, in our opinion, these are in accordance with the books of accounts maintained by the Company.

Annexure – A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Engineering Projects (India) Limited ("the Holding Company")** and its subsidiary company namely **EPI Urban Infra Developers Ltd.** (the holding and its subsidiary referred to as "the Group") as of March 31, 2017 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date. In this report, we have consolidated the feedback received from regional auditors.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on "the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". However, we noticed that

- a) Process of obtaining balance confirmation needs certain improvement
- b) Coverage of the tendering process in internal audit needs improvement.
- c) As reported by the auditor of Northern Region, access and editing rights for books of accounts, mapping and usage of reporting & analytics capability in SAP system, which is introduced during the year need improvements although they do not form any internal control deficiency.

SIGNIFICANT ACCOUNTING POLICIES (2016-17)

1. Basis of accounting

- a) The financial statements are prepared under historical cost convention, on accrual basis, in accordance with the generally accepted accounting principles in India and to comply with the Accounting Standards specified under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 (the “2013 Act”). The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year except the following:

Refer note no.	Nature of Change	Financial Impact over the current financial statements as compared to previous financial statements
2.8, 2.28	Revised Accounting Standard 10 Property, Plant and Equipment.	Financial Impact is Nil

- b) All Assets and Liabilities have been classified as current or non-current as per the criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of operations and time within which the assets are expected to be realized in cash and cash equivalents in the ordinary course of business, the company has ascertained its operating cycles as 12 months for the purpose of current and non-current classification of assets and liabilities

2. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities, if any, on the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management’s knowledge of current events and actions, actual results could differ from those estimates and revisions, if any, are recognized in the current and future periods.

3. Revenue recognition

- a) Contract Revenue is recognised to the extent it is probable that economic benefits will flow to the company and revenue can be reliably measured. Revenue is recognised by adding the aggregate cost of work and proportionate margin using the percentage of completion method. The percentage of completion is determined as a proportion of cost incurred to date to the total estimated cost of the contract.
- b) At the year end, works executed but not measured/partly executed are accounted for based on certification by Internal Engineers, entries arising out of such accounting are

reversed in the following accounting year. Accordingly, statutory obligations are met with at the time of actual receipt/ issue of bills/claims.

- c) In case of projects foreclosed/terminated, revenue is recognised only to the extent of contract value of which recovery is probable.
- d) Revenue from consultancy services is recognised on proportionate completion method. In respect of cases where ultimate collection with reasonable certainty is lacking at the time of claim, recognition is postponed till collection is made.
- e) In case of contracts where the contract costs exceed the contract revenues, anticipated loss is recognised immediately.
- f) Escalation and extra works not provided for in the contract with client, claims arising out of arbitration awards and insurance claims are accounted for on receipt basis.
- g) Liquidated damages arising from contractual obligations in respect of contracts under dispute/negotiation and not considered payable/receivable are not accounted for till final settlement.
- h) The contract is considered as closed for accounting purposes upon final billing, commissioning certificate, commercial run, foreclosure and/or termination whichever is earlier.
- i) Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.
- j) Revenue from rent is recognized on accrual basis, based on the lease agreements with the tenants except where the ultimate collection is considered doubtful.

4. Inventory

(i) Materials

- a) Construction materials, consumables and stores & spares excluding steel, cement and pipes are charged to contract cost at the time of purchase. Sale proceeds on account of disposal of such left out materials are accounted as miscellaneous income in the year of sale.
- b) Stock of steel, cement and pipes are valued at lower of cost or net realisable value. Cost includes freight and other related incidental expenses and is arrived at on weighted average cost.

(ii) Work in Progress

Construction work in progress is valued at cost till such time the outcome of the job cannot be ascertained reliably.

5. Foreign exchange transactions

Financial statements of foreign projects are translated in the following manner:

- i) Revenue items (income and expenditure) are translated into Indian currency on the basis of average of buying rate prevalent on the last working day of each month of the relevant financial year.
- ii) Property, Plant and Equipment and non-monetary items are translated at the buying rate at the date of transaction.
- iii) Depreciation is translated at the rates used for the translation of the value of the assets on which depreciation is calculated.
- iv) Inventories are translated at the buying rates prevalent at each balance sheet date.
- v) Monetary items (assets and liabilities) and contingent liabilities are translated at the prevailing closing buying rate at each balance sheet date.

The net exchange differences resulting from the translations are recognised as income or expense for the year.

6. Property, Plant and Equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Depreciation on Property, Plant and Equipment is calculated on straight line basis based on the useful life of assets in accordance with the Schedule II of the Companies Act, 2013 and 95% of the cost is written off during the expected useful life of assets.

7. Depreciation

- a) Depreciation on Property, Plant and Equipment is calculated on straight line basis based on the useful life of assets in accordance with the Schedule II of the Companies Act, 2013 and 95% of the cost is written off during the expected useful life of assets.
- b) The following rates of depreciation derived on the basis of useful life of the assets have been adopted-

S.No.	Description of Assets	Rate of Depreciation
1	Building (Other than factory Building) RCC frame structure (NESD)	1.58%
2	Others Temporary Construction (Including temporary structure etc.) (NESD)	31.67%

Except for assets in respect of which no extra shift depreciation (NESD) is permitted as indicated, if an asset is used for any time during the year for double shift, the depreciation will increase by 50% for that period and in case of triple shift the depreciation shall be calculated on the basis of 100% for that period.

- c) Property, Plant and Equipment costing ₹ 5,000 or less and mobile phones are fully depreciated in year of purchase.
- d) Leasehold building are amortised over the period of lease or over the specified period calculated as per the rates adopted by the Company which ever is shorter. Leasehold land under perpetual lease is not being amortised and carried at cost.

8. Employee benefits

- (i) Short Term employee benefits are recognised as an expense at the undiscounted amount in the Profit and Loss statement of the year in which the related service is rendered.
- (ii) Post employment and the other long term employee benefits are recognised as an expense in the Profit and Loss statement for the year in which the employee has rendered services.

The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. The actuarial gains and losses in respect of post employment and other long term benefits are charged to the Profit and Loss statement.

9. Provisions, contingent liabilities and contingent assets

Provision is recognized when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources would be required to settle the obligation, and in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimation. A contingent liability is disclosed unless the possibility of an outflow of resources embodying the economic benefits is remote. Contingent assets are neither recognized nor disclosed in the financial statements.

10. Provision for Doubtful Debts/ Loans and Advances

The amount of Trade Receivables/ Loans and Advances in closed projects, pertaining to Central / State Governments and their Departments, PSU clients and Foreign clients are considered good for realization upto 10 years from the year these became due. These debts are under constant persuasion for realisation till final settlement made with the client(s) or verdict is passed by the arbitral tribunal/ court, in case of dispute. Necessary provision against doubtful debts / loans and advances for net receivable amount on project basis is made in case the dues are outstanding for more than 10 years based on the previous experience/progress/assessment of the matter by the management. Trade Receivables/ Loans and Advances are written-off when considered unrealizable. For the cases pending with Arbitrator / Tribunal / Court no provision is made.

11. Segment Reporting

The Company has identified two primary reporting segments based on geographic location of the projects viz. Domestic & International.

12. Impairment of assets

At each balance sheet date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the profit and loss account. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and is accordingly reversed in the profit and loss account.

13. Taxation

Provision for tax for the year comprises estimated current income-tax determined as higher of the amount of tax payable in respect of taxable income for the period or tax payable on book profit computed in accordance with the provisions of section 115JB of the Income tax Act, 1961 and deferred tax being the tax effect of temporary timing differences representing the difference between taxable and accounting income that originate in one period and are capable of reversal in one or more subsequent periods and is calculated in accordance with the relevant domestic tax laws.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted as at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In respect of carry forward losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Minimum Alternate Tax ('MAT') paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax in the future. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will be able to utilize that credit during the specified period.

14. Leases

Lease payments under operating leases are recognised as expense in the profit and loss account on straight line basis over the lease term.

15. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

16. Prior Period Items and Prepaid Expenses

Expenditure/income relating to prior period and prepaid expenses not exceeding ₹ 50,000/- in each case are treated as expenditure/income of the current year.

Incident of fire occurred at Corporate Office of EPI on 14.09.2016. Due to alertness of EPI security staff and their swift and prompt actions fire was contained and localised on first floor of EPI office only and could not spread to other floors or neighboring offices. Loss suffered by EPI due to fire is ₹ 25 lac (i.e. WDV of damage assets) which will be further reduced by the amount of insurance claim which EPI is expecting to get from insurance company. The expenditure incurred by EPI on restoration of the damaged assets is ₹ 74 lac which has been capitalised. Impact of loss of financial records are not significant since the same has been verified through the SAP System implemented by EPI.

Note No. 2.43

The Ministry of Corporate Affairs while notifying Companies (Accounting Standards) Amendment Rules, 2016 (G.S.R. 364(E) dated 30.03.2016 has amended Accounting Standard (AS)-4 "Contingencies and Events Occurring After the Balance Sheet Date". The para 14 of amended AS-4 provides that if dividends are declared after the balance sheet date, then such dividends are not recognized as a liability at the balance sheet date because no obligation exists at that date. Such dividends are to be disclosed in the notes. Accordingly, in compliance of the provisions of amended AS-4, dividend and applicable dividend distribution tax relating to FY 2016-17 are not recognized as liability in the financial statements and same will be recognized as liability, if any in the year of declaration.

However, EPI has applied to Department of Investment and Public Asset Management (DIPAM) for exemption from payment of dividend for FY 2016-17 & 2017-18.

Note No. 2.44
