ANSWER

MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI G.M. SIDDESHWARA)

(a): & (b): Bharat Heavy Electricals Limited (BHEL) has generally been supplying electrical equipments in its scope as per requirements of various projects of utility power generating companies and readiness of their project sites.

Delay in supplies do occur in certain projects involving high level of complexities and interdependencies and sometimes delay is due to non-readiness of required fronts at sites, constraints of proper storage etc.

(c): Department of Heavy Industry and Ministry of Power undertake review meetings with BHEL on regular basis and through suitable interventions provide required support in taking up the issues with other Government Agencies/Departments/Ministries/customers etc.
