1965. SHRI MAJEED MEMON:

Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES be pleased to state:

- (a) whether the Union Government has established heavy industries and public enterprises in Maharashtra for their industrial development during the last three years;
- (b) if so, the number of enterprises established during the said period;
- (c) if not, the reasons therefor; and
- (d) the steps taken by Government in this regard?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI BABUL SUPRIYO)

(a) to (d): Since Industry is a State subject, no centralized data regarding established heavy industries in any part of the country is maintained by the Department of Heavy Industry (DHI). However, DHI has not established any public enterprises in any part of the country during the last three years. The role of DHI is confined to the administration of the Central Public Sector Enterprises (CPSEs) under its administrative control. These CPSEs take decision to set their units in various parts of the country based on the commercial considerations. Further, Central Government, through M/o Finance, also provides incentives in the direct and indirect tax structure for the growth of industries across the country. However, many States have evolved incentives and schemes for the development and growth of industries and these States encourage setting up of industries as per their priorities and investment climate and details of such nature are only expected to be available with them.
